COOK TIME: Total time - 2 hours SERVES: 20-24 Cookies

Ingredients:

- 1 c. shortening
- 2 c. sugar
- 2 eggs - fresh and at room temperature
- 4 tsp. baking powder
- 1/2 tsp. salt
- 1 c. "sour milk" - milk plus 1 Tbsp. vinegar
- 1 tsp. vanilla
- 1/2 tsp. baking soda
- 4 1/2 to 5 1/2 c. flour

Combine eggs, shortening & sugar. Mix well.
Add remaining ingredients and 1 c. flour. Mix until blended. Continue adding flour a little bit at a time - maybe 1/4 c. at a time - until dough begins to form but is still sticky.

Refrigerate dough 1 hour. (can be refrigerated longer or frozen.)

Preheat oven to 350°F.

Flour a pastry board or countertop - lightly, but with enough flour that the dough won't stick. i

Roll out a small amount of dough. Cut shapes or circles and transfer to cookie sheet. *

* Note: greasing cookie sheet is NOT required.

Cont.

Bake at 350°F for 10 to 12 minutes.

~ Cookies are cake-like so they should not be over-baked until crisp.

Continue working with small amounts of dough until finished. Refrigerate dough as needed to keep it from getting warm.

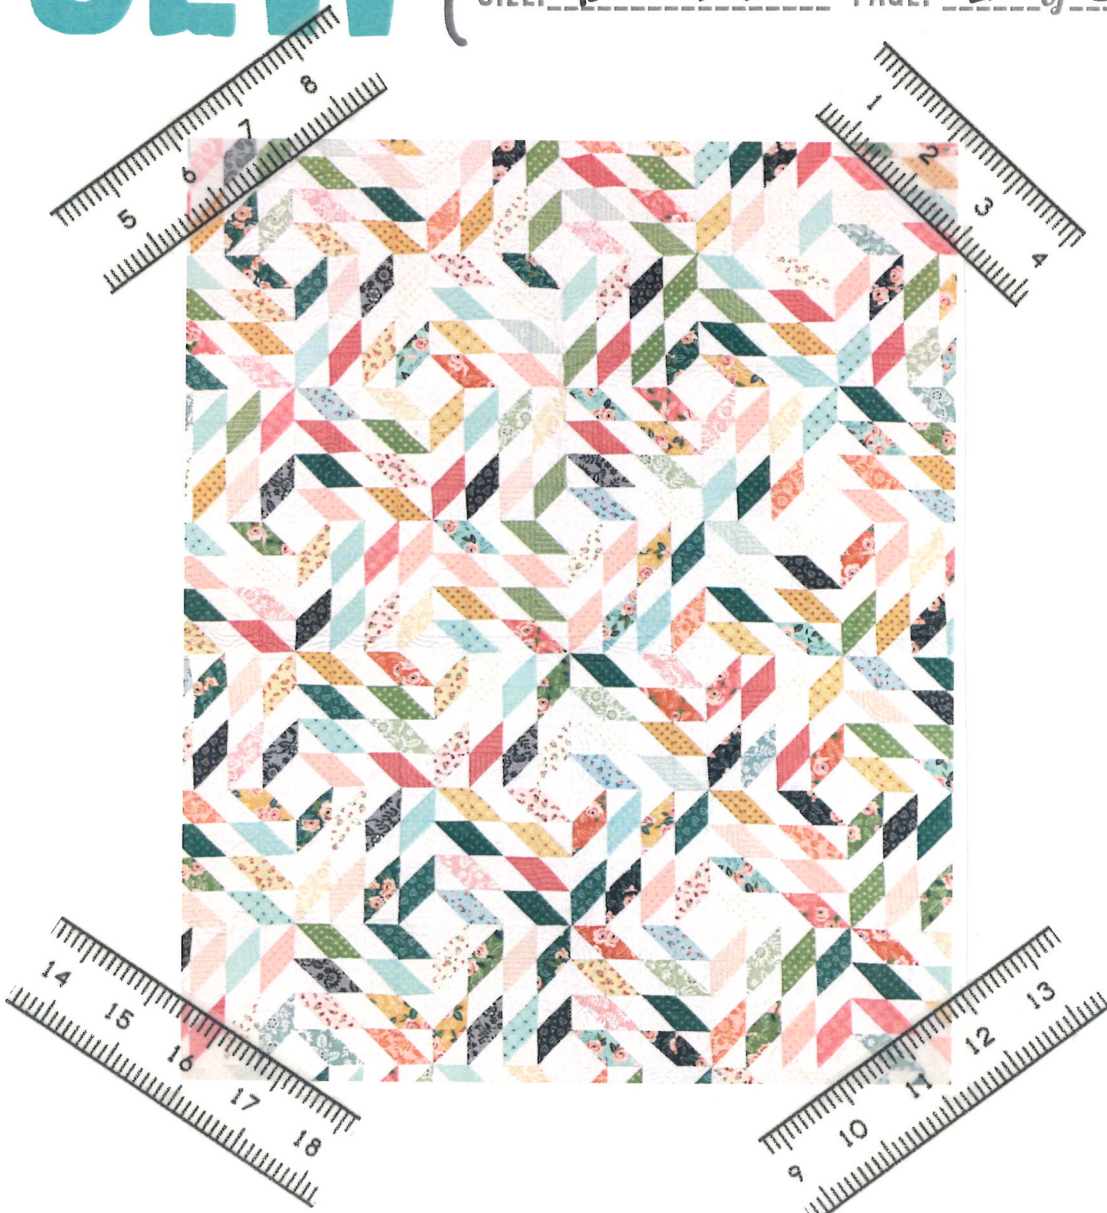

Cool cookies completely.

Frost with your favorite frosting or icing recipe and then watch the cookies disappear!
