

# Pumpkins & Blossoms

FIG TREE & CO.

*by Joanna Figueroa*

Wandering through a pumpkin patch and hiding in a corn maze are among my favorite childhood memories. It's something I've shared with my children, when they were young, and when I can still get them to go with me. I love everything about the adventure of all those pumpkins still on the vine with huge leaves hiding the littlest ones.

Pumpkins & Blossoms is my vision of a perfect autumn day, walking through a “not quite ready yet” field of pumpkins. In my mind's eye, the pumpkins mix with bright green leaves and light green tendrils. The pumpkin blossoms vine their way up trellises, a bit like they do in Jack and the Beanstalk. It's a fairytale made real with a mix of cream, orange, green and gray... my most magical pumpkin afternoon!
